V1

**Well, if (A7) your hands start to clappin'
And your fingers start to poppin'
And your feet start movin' around
And if you (D7) start to swing and sway
When the band starts to play
A (A7) real cool way out sound
And if you (E7) get the can't help it's
And you (D7) can't sit down
You (E7) feel like you gotta move (D7) around**

[Chorus]

**You (D7) need shot of rhythm and blues
With just a little rock'n'(A7) roll on the side
Just for good measure
You (D7) need a pair of dancin' shoes
With your lover by your (E7) side
Then you know you're gonna have a lot of pleasure**

V2

**So, don't you (A7) worry 'bout a thing
When you (D7) start to dance and sing
And (A7) chill bumps come up on you
And when that (D7) rhythm finally hits you
Then the beat gets you through
Well, (E7) here's the thing for you to do**
