[D] They say that love is blind, the [G] more I look.... the [G7] more I find.  
[C] Don't that beat all I ever saw, dear

Don't that beat all and that's for [Dm] sure. More fool that other guy,

[C] There's one thing more I wanna say, dear,

Well, [F] well, ha-[G] ha, - - don't that beat [C]<sup>8</sup>all...[NC].. *The time has*

[C] come for me to hang my [G] head in shame,  
The time has come for [G7] me to say that [C] I'm to blame,  
The time has come for [C7] love's return but [F] it won't be the same,  
Oh [C] please, believe me, [G] I won't make the [C] same [F] mistakes [C]  
again.

[NC] The time has [C] come to end this very [G] sad affair,  
The time has come for [G7] you and I once [C] more to share  
A summer's kiss, but [C7] love's return won't [F] ever be the same,  
Oh [C] please, believe me, [G] I won't make the [C] same [F] mistakes [C]  
again.

*No more [G] sorrows, no more [C] cheating,  
Our to-[B7]morrrows won't be re-[Em]peating the [G] past.*

[NC] So here am [C] I to ask if you can [G] still forgive,  
If you can love, the [G7] time has come for [C] love to live,  
With no regrets, but [C7] take my word that [F] love won't be the same,  
Oh [C] please, believe me, [G] I won't make the [C] same [F] mistakes [C]  
again.

*Oh [C] please, believe me, [G] I won't make the [C] same [F] mistakes [C]  
again.*
