Then, the child moved ten times 'round the seasons
Skated over ten clear frozen streams
Words like, "When you're older", must appease him
And promises of someday make his dreams

CHORUS

Sixteen springs and sixteen summers gone now
Cartwheels turn to car wheels through the town
And they tell him, "Take your time,
it won't be long now.

'Til your drag your feet to slow the circles down"

CHORUS

So the years spin by and now the boy is twenty
Though his dreams have lost some grandeur
coming true
There'll be new dreams,
maybe better dreams and plenty
Before the last revolving year is through.

CHORUS: And the seasons they go 'round and 'round

And the painted ponies go up and down

We're captive on the carousel of time

We can't return, we can only look behind

From where we came

And go round and 'round and 'round

In the circle game

And go 'round and 'round and 'round
in the circle game.
