

Our headline artists

Richard Digance is a BAFTA nominated entertainer and has released 31 albums. He is supported by Kelly Oliver who 'blends traditional with indie-pop'

John Watterson has performed the songs of Jake Thackray at festivals, concerts, clubs, after dinner venues and to Jake's family. His songs are funny, satirical, incisive and gloriously un-PC.

Green Diesel are 'more Fairport than Fairport and more Steeleye than Steeleye'. 'Folk Rock in the grand manner'. Expect energy and musicianship.

Grant Baynham is a formidable songwriter and has an energy and enthusiasm which create a powerful performance including many musical genres.

Folklaw's music will get your feet tapping and your mind thinking. They are a unique blend of energised and entertaining UK folk-rock.

Keith Christmas is a legendary live performer who performed at the first ever Glastonbury festival. His new album 'Life' has just been released,
