G Maybe somewhere down the road away (at the end of the line) G You'll think of me, and wonder where I am these days (at the end of the line) G Maybe somewhere down the road when somebody plays (at the end of the line) Purple haze.

Well it's all right, even when push comes to shove Well it's all right, if you got someone to love Well it's all right, everything'll work out fine Well it's all right, we're going to the end of the line G D Don't have to be ashamed of the car I drive (at the end of the line) G D I'm just glad to be here, happy to be alive (at the end of the line) G D It don't matter if you're by my side (at the end of the line) A I'm satisfied.

Well it's all right, even if you're old and grey Well it's all right, you still got something to say Well it's all right, remember to live and let live Well it's all right, the best you can do is forgive.

Well it's all right, riding around in the breeze Well it's all right, if you live the life you please Well it's all right, even if the sun don't shine Well it's all right, we're going to the end of the line.
