Written by John Pennell

Capo 2 (key D) Or capo 4 (i.e. per Key E on recording) Count 1234 and straight in

C G F G  
Look at the sky baby, what do you see?

F G Am G F  
Looks like the tears that I cry

Fallin' down like rain on the ground

Take a look around now, why don't you feel

The way that cold wind stings and bites?

Every time you say goodbye
