

Happy Bunny

Alternative lyric and arrangement by TC & Mitch to "Always look on the bright side of life"

appologies to Eric Idle

PAGE 1/3

[G]A [Am] man's life is [D] fraught,[G] forever getting [Em] caught ,

[Am] Doing stuff he [D] shouldn't ought to [G]do,

[Am]Shopping for [D]example, his [G] IQ's not quite [Em] ample

[A7] It's the sort of thing he's not designed to [D] do

But [Am] put him in a [D]shed, a [G] garage-- or in [Em] bed

[Am] And He'll shine like the [D] brightest little [G] star

[Am] Knock you up a [D] shelf, he's [G] made just by him-[Em]-self

Sort [A7] out the sticky window on the [D] car.

CHORUS

SO!!! [G] Always [Em] give him the [Am] simple [D] things to [G] do

[G] dee [Em] do, dee [Am] do dee do dee [D] do,

[G] Only [Em] give him [Am] jobs, that [D] just need a [G] screw

[G] dee [Em] do, dee [Am] do dee do dee [D] do,

[Am] He's then a happy [D] bunny, not [G] trying to be [Em] funny

Just [Am] let him do the [D] stuff that makes him [G] smile

Don't [Am] let him do the [D] washin' you [G] know that you'll be [Em] cussin'

When [A7] all the pretty colours run a [D] mile.

[Am] Ironing stuffs an-[D]-other, wasn't [G] taught how by his [Em] mother

His [Am] trousers get three [D] creases on the [G] front

[Am] Melts your best [D] panties, the [G] ones that he [Em] fancies

Don't [A7] let him near the iron , let's be [D] blunt

CHORUS

HAPPY BUNNY

PAGE 2/3

[Am] Gardening's a [D] thing , [G] wasps and bees that [Em] sting
Are [Am] always sure to [D] catch him un-[G]-aware
[Am] Plants or [D] weeds , or [G] stuff that spread [Em] seeds
Are [A7] mysteries well beyond his [D] care
[Am] Ladies spare a [D] thought, be-[G]-fore the chores you [Em] sort
[Am] Don't involve , doing [D] two things, at a [G] time
[Am] Simple is the [D] key, first make[G] sure that he's [Em] free
The [A7] end result will surely turn out [D] fine

Chorus

SO!!! [G] Always [Em] give him the [Am] simple [D] things to [G] do
[G] dee [Em] do, dee [Am] do dee do dee [D] do,
[G] Only [Em] give him [Am] jobs, that [D] just need a [G] screw
[G] dee [Em] do, dee [Am] do dee do dee [D] do,

[Am] Your happy little [D] bunny will not [G] think it's [Em] funny
When [Am] you say- no -[D] to a helping [G] hand
[Am] Tell him to [D] rest, you [G] know he's done his [Em] best
[A7] Maybe join a Ukulele [D] band.
[Am] Happy little [D] bunny, [G]especially when it's [Em] sunny,
[Am] Keeping—just the [D] family home in [G] check
[Am] Tools and [D]cars, [G] nails and screws in [Em] jars ,
As [A7] long as he is happy, what the [D] heck.

[Am] He's not very [D] bright, [G] things don't come out [Em] right

[Am] Everything's a-[D]-gainst him, yes it's [G] true

SO! [Am] Give him a [D] cuddle [G] when he's in a [Em] muddle

Ev-[A7]-entually, he, will, come on [D] through

CHORUS X2 TO END

SO!!! [G] Always [Em] give him the [Am] simple [D] things to [G] do

[G] dee [Em] do, dee [Am] do dee do dee [D] do,

[G] Only [Em] give him [Am] jobs, that [D] just need a [G] screw

[G] dee [Em] do, dee [Am] do dee do dee [D] do,
