[Verse 1]

When the snowman brings the snow, well he just might like to know
He's put a great big smile on somebody's face
If you jump into your bed, quickly cover up your head
Don't you lock the doors you know that
Sweet Santa Clause is on the way

Oh well I wish it could be Christmas everyday
When the kids start singing and the band begins to play
Oh I wish it could be Christmas everyday
Let the bells ring out for Christmas

[Verse 2]

When we're skating in the park if the snow cloud makes it dark
