

# I SAW HER STANDING THERE -Lennon/McCartney

4/4 1...2...1234

Intro: "1 2 3 4"  (4 measures)

    
Well she was just seventeen, you know what I mean

  
And the way she looked was way beyond com-pare

        
So how could I dance with a-nother....0000, when I saw her standing there

    
Well, she looked at me, and I, I could see

  
That before too long I'd fall in love with her

         
She wouldn't dance with a-nother....0000, when I saw her standing there

  
Well my heart went boom when I crossed that room

   
And I held her hand in mi.....ine

Oh, we danced through the night and we held each other tight

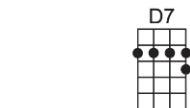

And before too long I fell in love with her

Now I'll never dance with a-nother.....oooo when I saw her standing there

Instrumental:

Well my heart went boom when I crossed that room

And I held her hand in mi.....ine

Oh, we danced through the night and we held each other tight

And before too long I fell in love with her

Now I'll never dance with a-nother.....oooo since I saw her standing there

Oh since I saw her standing there, yeah, well, since I saw her standing there.
