While [C] window shopping [G] through the past
I [C] ran across a [F] looking glass [C] Reflecting moments
[G] remaining in a burned out [C] light
[C] Tragic magic [G] prayers of passion
[C] Stay the same through [F] changing fashions
They [C] freeze my mind..like [G] water on a winter's [C] night

[D] Spent most of my youth, Out [G] h..o..b..o cruising
[D] And all I got for proof,
Is [G] rocks in my pockets and dirt in my shoes
So [C] goodbye non-[G]believer
[C] Don't you know that I [F] hate to leave here
[C] So long babe, [G] I got the flashback [C] blues.

[C] [G] [C] [F] [C] [G] [C]

[C] Photographs [G] show the laughs
[C] Recorded in be-[F]tween the bad times
[C] Happy sailors [G] dancing on a sinking [C] ship.....
[C] Cloudy skies and [G] dead fruit flies
[C] Waving goodbye with [F] tears in my eyes
Well [C] sure I made it.....
But ya [G] know....it was as hell of a [C] trip.

[D] Spent most of my youth, Out [G] h..o..b..o cruising
[D] And all I got for proof,
Is [G] rocks in my pockets and dirt in my shoes
And [C] ten times what it grieves [G] you
[C] That's how much more I [F] hate to leave you now
[C] So long babe, [G] I got the flashback [C] blues.
