

# The Lucky One

v1 30.6.2020

Sung by Alison Krauss & Union Station

You're the [C] lucky one so I've been told  
As [G] free as the wind blowing down the road  
[C7] Loved by many, hated by none  
I'd [F] say you were lucky 'cause  
You know what you've done  
Not a [C] care in the world, not a worry in sight  
[G] Everything is gonna be alright 'cause  
You're the [F] lucky one [C]

You're the [C] lucky one always having fun  
A [G] jack of all trades, a master of none  
You [C7] look at the world with a smiling eye  
And [F] laugh at the devil as his train rolls by  
[C] Give you a song and a one night stand  
[G] You'll be looking at a happy man 'cause  
You're the [F] lucky one [C]

## Chorus

Well, you're [Dm7] blessed I guess

**Dm7 = Dm + C**

By never [G7] knowing which road you're choosing

To you the [Dm7] next best thing

To playing and [G7] winning is [E7] playing and [Am]losing

You're the [C] lucky one, I know that now  
[G] Don't ask you why, when, where or how  
You [C7] look at the world with a smiling eye  
And [F] laugh at the devil as his train rolls by  
[C] Give you a song and a one night stand  
[G] You'll be looking at a happy man 'cause  
You're the [F] lucky one [C]

*Instrumental* La - - - la, la, la, la, etc [C] [G] [Am] [F] [C] [G] [F] [C]

REPEAT **chorus**, **last verse**, and **instrumental** to play out : **3 beats and STOP on final C**
