STONE

[D] You see them [A7] in the [D] summer,
But when it's [A7] cold, it's [D] said
They [G] hang about in [D] bunches,
In a [E7] darkened, wooden [A7] shed wait
[G] Sporting a [D] material
That will [B] shock you to the [Em] core
So [G] tight and bloody [D] horrible ;
It ,should- [E7] be, against the, [A7] law-aw- ord !!!!! (A fiddly pik)

MITCH

They [D] hiber-[A7]-nate in [D] winter, ..
Huddling ..[A7] to keep [D] warm
But [G] when the sun shines [D] in the sky,
That's [E7] when they start to [A7] swarm
They [G] adjust their [D] pedals ,
[B] Chains and [Em] brakes
And [G] shed their [D] skins
[E7] Just like a bunch ,---of ,---[A7] snakes-s-s-s-s-s-ssss- !! (Another fiddly pik)

=====

-----CHORUS-----

[D] Oh save us from the Lycra,
Oh wibbly wobbly [A7] Lycra
[D] Not a sight I'm really after ,
[D] Thighs and [A7] bums on [D*] show, [D*] show, [D*] show

=====

[D] Middle age men on the road ahead
[D] Lycra stretched , they [A7] must be over fed
Not contained in the stretchy thread
Lycra's good but..... ' [D] nuff [D] said

REPEAT CHORUS

[D] They ride along ,two abreast,
Piggies in a sack , [A7] like a ferret fest
Up and down the road, back and forth
You wouldn't catch them- doing [D] that.. up ..north

REPEAT CHORUS

Helmets on . [A7] showing off their crack
it ain't quite the Tour de France.
Just middle aged men in [D] lycra pants

Oh wibbly wobbly [A7] Lycra
[D] Not a sight I'm really after ,
[D] Thighs and [A7] bums on [D*] show, [D*] show, [D*] show
