

Onion Bunion

Arr: Pete McCarty; Lyrics: Karen Sullivan-Barker 2023

(To the tune of Puff The Magic Dragon)

Intro: [G] [Hold]

Verse 1: Lead to sing (Strum each chord once and slowly)

My [G/] bunion I've named [Bm7/] onion, When [C/] rubbed it makes me [G/] cry,

It's [C/] big and round with a [G/] pointy [Em/] head, Ig- [A7/]nore it I do [D7/] try,

The [G/] strap I wear is [Bm7/] useful, it [C/] helps a little [G/] bit,

But [C/] when I've walked all [G/] day at [Em/] work, My [A7/] left foot [D7/] feels like [G/] s**t [D7/] So....

Chorus: All to sing (Strum)

[G] Come on Onion [Bm7] Bunion, [C] Don't do this to [G] me!

The [C] pain you cause is [G/] just not [Em/] nice, I [A7] have a dodgy [D7] knee,

Now [G] listen Onion [Bm7] bunion, You'll [C] soon be gone from [G]

me, 'Cos [C] I can't cope with the [G/] pain you [Em/] cause, [A7/] And a [D7/] dodgy [G]knee.

Verse 2: Lead to sing (Strum each chord once)

My [G/] left foot isn't [Bm7/] happy, My [C/] right foot follows [G/] suit,
Nice [C/] shoes I simply [G/] cannot [Em/] wear, Just [A7/] trainers or a [D7/] boot,

You've [G/] been with me too [Bm7/] long now, I [C/] want you to be [G/] gone,

But [C/] one good thing by [G/] being [Em/] here, You've [A7/] helped me [D7/] write this [G/] song, [D7/] So....

Chorus: All to sing

[G] Come on Onion [Bm7] Bunion, [C] Don't do this to [G] me!

The [C] pain you cause is [G/] just not [Em/] nice, I [A7] have a dodgy [D7] knee,

Now [G] listen Onion [Bm7] bunion, You'll [C] soon be gone from [G]

me, 'Cos [C] I can't cope with the [G/] pain you [Em/] cause, [A7/] And a [D7/] dodgy [G]knee.

Outro - Slower

'Cos [C] I can't cope with the [G/] pain you [Em/] cause, [A7] And a [D7] dodgy [G] knee [D7]-[G] [Stop]!
