

LYRICS – SHAKIN ALL OVER

When you move in right up close to me
That's when I get the shakes all over me

[Chorus]

Quivers down the backbone
I got the shakes down the knee bones
Yeah, the tremors in my thigh bone
Shakin' all over

[Verse 2]

Just the way that you say goodnight to me
Brings that feelin' on inside of me

[Chorus]

Quivers down the backbone
I got the shivers down the thigh bone
Yeah the tremors in my backbone
Shakin' all over

[Chorus]

Quivers down my backbone
Yeah the shakes in my knee bone
I got the tremors in my thigh bone
Shakin' all over
