**[G]** Someday I'm going to **[C]** write, the **[G]** story of my **[C]** life.

I'll **[G]** tell about the **[D]** night we met, **[C]** and how my heart  
**[D]** can't forget, the **[G]** way, you **[C]** smiled, **[D]** at **[G]** me. **[C]**

**[D]** I'd **[G]** like the world to **[C]** know, the **[G]** story of my **[C]** life.  
the **[G]** moment that your **[D]** lips met mine, **[C]** and that first  
**[D]** exciting time, I **[G]** held, you **[C]** close, **[D]** to **[G]** me. **[G7]**

The **[C]** sorrow when our love was **[G]** breakin' up.

The **[C]** memory of a **[G]** broken heart.

But **[C]** later on, the joy of **[G]** makin' up.

**[A7]** Never, **[NC]** never, more to part.

**[D]** There's **[G]** one thing left to **[C]** do,  
be-**[G]**fore my story's **[C]** through.

I've **[G]** got to take you **[D]** for my wife, **[C]** so the story **[D]** of my life,  
can **[G]** start, and **[C]** end, **[D]** with **[G]** you. **[D7] [G] [G7]**

The **[C]** sorrow when our love was **[G]** breakin' up.

The **[C]** memory of a **[G]** broken heart.

But **[C]** later on, the joy of **[G]** makin' up.
