

The story of my life (1958)

A - E - A - E

1. Someday I'm going to write the story of my life,
I'll tell about the night we met, and how my heart can't forget,
the way you smiled at me.

2. I'd like the world to know the story of my life,
the moment when your lips met mine and that first exciting time
I held you close to me.

The sorrow when our love was breakin' up,
the mem'ry of a broken heart,
but later on, the joy of makin' up, never never more to part !

3. There's one thing left to do, before my story's through,
I've got to take you for my wife, so the story of my life
can start and end with you.

+ CHORUS

3. There's one thing left to do, before my story's through,
I've got to take you for my wife, so the story of my life
can start and end, and start and end,
and start and end with you.
