		1 2 3 4

 + bass as below

Bass 4 beat run up to G (bom bom bom bom) (*That yellow..*).

G Em C Am
That yellow dress you wore when we went dancing Sunday nights

C Am D D7
That smile you give me in the movies when they dim the lights

G Em C Am
I've tried in vain, to wash the memory from my brain

/ G E7 / C D G
I can't forget you and that's what love will do

/ C D G
That's what love will do

G Em C Am
The spins we took together on my beat up motorbike

C Am D D7
The look your pa would give me when we got back late at night

G Em C Am
I've tried in vain, to wash the memory from my brain

/ G E7 / C D G
I can't forget you and that's what love will do

/ C D G
That's what love will do

C F C F
I never see you, except now and then

C Am F stop
But when I see you the longing :

D D7_{1 2 3 4 5 6 7 8} bass
starts all over again (*over ag-a--i--n*) ///
(3 beats)

G Em C Am
Put out the candle and tomorrow it burns bright again

C Am D D7
But when I lost you it could never be put right again

G Em C Am
What can I do, my memory won't let go of you

/ G E7 / C D G
I can't forget you and that's what love will do

/ C D G
That's what love will do
