

You Needed Me

27/06/20

Intro: You [G7] needed me.....you [C] needed me

I cried a [C] tear.....you wiped it [Dm] dry
I was con-[G7]fused.....you cleared my [C] mind
I sold my [Em] soul.....you bought it [Dm] back for me..
↓ And held me [D7] up.....and gave me [G7] dignity
Somehow you needed me

You gave me [C] strength.....to stand a-[Dm]lone again
To face the [G7] world.....out on my [C] own again
You put me [Em] high.....upon a [Dm] pedestal
So [C] high that I could [E7] almost see [D7] eternity
You [G7] needed me.....you [C] needed me

And I [Am] can't believe it's [E7] you, I can't be-[F]lieve it's true
I [Dm] needed you....[G7] and you were [C] there
And I'll [Am] never leave...why [E7] should I leave....I'd [F] be a fool
Cause I [D7] finally found someone who really [G7] cares

[C] You held my hand...when it was [Dm] cold
When I was [G7] lost.....you took me [C] home
You gave me [Em] hope when I was [Dm] at the end
And [C] turned my lies [E7] back into truth a-[D7]gain
You [G7] even called me [C] friend

You gave me [C] strength.....to stand a-[Dm]lone again
To face the [G7] world.....out on my [C] own again
You put me [Em] high.....upon a [Dm] pedestal
So [C] high that I could [E7] almost see [D7] eternity
You [G7] needed me.....You [C] needed me
You [G7] needed me.....[C] You needed me
