[C] You'll know my wee brother and his christian name is [G7] Paul  
He's lately joined a football club for he's mad about foot [C] ball.  
He's got two black eyes already and teeth missing from his [G7] gob  
Since our Paul became a [F] member of that [C] terrible [G7] football [C] club

## Chorus

[C] He's football crazy, He's football [G7] mad.  
The football game has tak' away the wee bit o sense he [C] had  
And it would tak a dozen skivvies for them tae wash and [G7] scrub  
Since our Paul became a [F] member of that [C] terrible [G7] football [C] club

[C] In the middle of the field one day the captain said to [G7] Paul  
Would you kindly tak this free kick since you're mad about [C] football  
And he took 40 paces backwards and shot off from the [G7] mark  
And the ball went sailin' o'er the bar and [C] landed [G7] in New [C] York

[C] He's football crazy, He's football [G7] mad.  
The football game has tak' away the wee bit o sense he [C] had  
And it would tak a dozen skivvies for them tae wash and [G7] scrub  
Since our Paul became a [F] member of that [C] terrible [G7] football [C] club

[C] His wife she says that she'll leave him if Paul does'nae [G7] keep  
Away from football kicking at night-time in his [C] sleep  
He calls out, "That's a penalty," and other things so [G7] droll  
Last night he kicked her oot of bed and [C] swore it [G7] was a [C] goal

[C] He's football crazy, He's football [G7] mad.  
The football game has tak' away the wee bit o sense he [C] had  
And it would tak a dozen skivvies for them tae wash and [G7] scrub  
Since our Paul became a [F] member of that [C] terrible [G7] football [C] club

[C] He's football crazy, He's football [G7] mad.  
The football game has tak' away the wee bit o sense he [C] had  
And it would tak a dozen skivvies for them tae wash and [G7] scrub
