C C  
When we walked to Merthyr Tydfil  
[ F// G// ] C C  
in the moonlights long ago  
C G G  
When the mountain tracks were frozen  
G C C  
and the crests were white with snow  
F F  
We had tales and songs between us  
C Am Am  
and our souls to young to fret  
C G G  
And we had hopes and visions  
F C C  
that the heart remembers yet

F F  
When we walked to Merthyr Tydfil  
C Am Am  
in the moonlight long ago  
C G G  
When the mountain tracks are frozen  
F C C  
and the crests were white with snow

C C  
The wind from the furthest mountains  
[ F// G// ] C C  
blew about us as we strode  
C G G  
But we were warm and merry  
G C C  
on that crooked freezing road  
F F  
And there were lamplite homesteads  
C Am Am  
to the south and east and west  
C G G  
And we saw the round smiling  
F C C  
on those little lights of rest

F F  
 When we walked to Merthyr Tydfil  
 C Am Am  
 in the moonlight long ago  
 C G G  
 When the mountain tracks are frozen  
 F C C  
 and the crests were white with snow

C C  
 The moon is still as radiant,  
 [ F// G// ] C C  
 the homely hills remain  
 C G G  
 But the magic of those evenings  
 G C C  
 we'll never see again  
 F F  
 For we were boyish dreamers  
 C Am Am  
 in a world we didn't know  
 C G G  
 When we walked to Merthyr Tydfil  
 F C C  
 in the moonlight long ago

F F  
 When we walked to Merthyr Tydfil  
 C Am Am  
 in the moonlight long ago  
 C G G  
 When the mountain tracks are frozen  
 F C C  
 and the crests were white with snow

F F  
 When we walked to Merthyr Tydfil  
 C Am Am  
 in the moonlight long ago  
 C G G  
 When the mountain tracks are frozen  
 F C C  
 and the crests were white with snow
