Intro train strum rhythm [C] x 4

Canadian Pa [Dm ] cific [G7 ]

Carry me 3,000 [C ] miles

Through the valleys and the [F ] forests

[G7 ] To the sunshine of her [C ] smile

Cross the plains and rugged [Dm ] mountains

[G7 ] Keep this wandering boy from [C ] harm

Canadian Pa [F ] cific [G7 ] take me to my baby's [C ] arms

I [C ] rode your ocean liner to New [Dm ] foundland

Where I [Am ] made a living in a iron [G7 ] mine

When I [F ] got my fill I went to Nova [G7 ] Scotia

And I [D7 ] fished the salty waters for a [G7 ] time

Passing [C ] through Prince Edward Island and New [Dm ] Brunswick

I could [Am ] see the rocks and cliffs of solid [G7 ] stone

Listening [F ] to the seagulls calling to each other [G7 ]

Made me miss my darling and my distant [C ] home

Canadian Pa [Dm ] cific [G7 ]

Carry me 3,000 [C ] miles

Through the valleys and the [F ] forests

[G7 ] To the sunshine of her [C ] smile

Cross the plains and rugged [Dm ] mountains

[G7 ] Keep this wandering boy from [C ] harm

Canadian Pa [F ] cific [G7 ] take me to my baby's [C ] arms

The Atlantic disappeared on the [Dm ] horizon  
And [Am ] Quebec lay waiting for me down the [G7 ] track  
For a [F ] while I drove a truck to keep from [G7 ] starving  
In [D7 ] Ontario I was a lumber [G7 ] jack

I could [C ] feel the nearness of her warm sweet [Dm ] kisses  
When you [Am ] rolled into Alberta westward [G7 ] bound  
I worked [F ] on an oil rig to make some [G7 ] money  
For a ticket to the sweetest girl [C ] around

Canadian Pa [Dm ] cific [G7 ]  
Carry me 3,000 [C ] miles  
Through the valleys and the [F ] forests  
[G7 ] To the sunshine of her [C ] smile  
Cross the plains and rugged [Dm ] mountains  
[G7 ] Keep the wandering boy from [C ] harm  
Canadian Pa [F ] cific [G7 ] you took me to my baby's [C ] arms
