

CHORUS

C G7
Railroad steamboat river and canal
Yonder comes a sucker and he's got my gal C
And she's gone gone gone and she's gone gone gone
And I'll bid her my last farewell G7 C

I fell in love with a pretty little thing
I thought that wedding bells would ring G7 C
She was as sweet as she could be
Till I found out what she did to me G7 C

REPEAT CHORUS

I asked her mother to let her go
She whispered mother please tell him no G7 C
Though he may think that I am true
There are plenty more who'll think so too G7 C

REPEAT CHORUS

Now I won't cry my life away
Some other sucker will have to pay G7 C
And when he finds that she is gone
I guess I'll hear him sing this song G7 C

FINISH WITH REPEAT CHORUS
