

## Is Anybody Goin' To San Antone (C)

*Intro: [C] [F] [G] [C]*

[C] Rain dripping off the [F] brim of my hat  
[G] It sure looks cold to-[C]day  
[C] Here I am walking down [F] Sixty Six  
[G] Wish she hadn't done me that [C] way  
[C] Sleeping under a table in a [F] roadside park  
A [G] man could wake up [C] dead  
[C] But it sure seems warmer.....[F] than it did  
[G] Sleeping in our king size[C] bed

*Chorus:*

[C] Is anybody going to [F] San Antone or  
[G] Phoenix Ari-[C]zona  
[C] Any place is all right as [F] long as I can.....  
For-[G]get I've ever [C] known her.

*[C] [F] [G] [C]*

[C] Wind whipping down.....the [F] neck of my shirt  
Like I [G] ain't got nothing [C] on  
[C] But I'd rather fight.....the [F] wind and rain  
Than [G] what I've been fighting at [C] home  
[C] Yonder comes a truck with the [F] U.S. mail  
[G] People writing letters back [C] home  
[C] Tomorrow she'll [F] probably want me back  
But [G] I'll still be just as [C] gone

*Chorus:*

[C] Is anybody going to [F] San Antone or  
[G] Phoenix Ari-[C]zona  
[C] Any place is all right as [F] long as I can.....  
For-[G]get I've ever [C] known her.

*[C] Any place is all right as [F] long as I can.....*

*For-[G]get I've ever [C] known her.*
